

GAS LEAK OVERCOMES THREE MEN IN HARLEM, RESCUED BY PASSERBY

Passerby Discovers Prostrate Figures in Time—One Revived, Two in Hospital.
Bartholomew Barry, fifty-one, of No. 65 Broadhurst Avenue, Bronx, was making his rounds as night foreman in the Standard Gaslight Company's plant at 115th Street and the East River at 8 o'clock last night when he smelled gas escaping from a purifying tank, a large cap having been dislodged from the tank top. Barry called Pat Bradshaw, forty-five, of No. 406 Pleasant Avenue, and Anthony Longo, sixty-four, of No. 224 First Avenue. The three entered the room, placed an emergency cap on the tank—and toppled over, senseless from the fumes.
Half an hour later George Ickerson, a Negro laborer, saw the three prone figures and dragged them into fresh air. He summoned Patrolman William Burke of the East 104th Street Station. An ambulance was summoned and two pulmonators were borrowed from the Consolidated Gas Company. Bradshaw was revived. The other two men were in such serious condition that they were taken to Harlem Hospital.

RUNYON MAY BE NAMED FEDERAL JUDGE IN JERSEY

Frelinghuysen Suggests His Partner in Defeat for Appointment.
TRENTON, N. J., Nov. 13.—Former Senator William N. Runyon, defeated candidate for Governor on Tuesday, will be the new Federal District Judge in New Jersey if present plans are consummated.
It became known here that Senator Frelinghuysen, who was defeated at the polls on Tuesday by Gov. Edwards, has recommended Runyon's name to President Harding for the judgeship, and Frelinghuysen has asked his own friends and those of Runyon to support the recommendation.
The salary paid by the office is \$7,500 a year, and the position is virtually a life one.
The movement to place Runyon on the Federal Court bench sets at rest the rumors that he is to be a candidate for State Comptroller to succeed Newton A. K. Dugbes, Republican, of this city.
